

VINELINE VINEYARD SOLUTION

DRIPPERLINE WITH CLIPS

MAKE THE INSTALLATION OF YOUR DRIPPERLINE EASIER

Netafim dripperline can be supplied with the clips already fitted, making the installation both quicker and easier than other conventional clip systems.

- **PRE-INSTALLED** at Netafim Australia.
- **EASILY ADJUSTABLE** – clips are fitted at every dripper but can be moved either side of the dripper to prevent water migration along the tube.
- **ECONOMICAL** – save on labour costs.
- **FLEXIBLE OPTIONS** – available for all Netafim Heavy Wall Dripperlines including UniRam™ and DripNet™ PC AS.
- Available for **16MM TO 20MM DRIPPERLINES**.
